

Let's make the Phlunk's magical
moon into a funky hat!

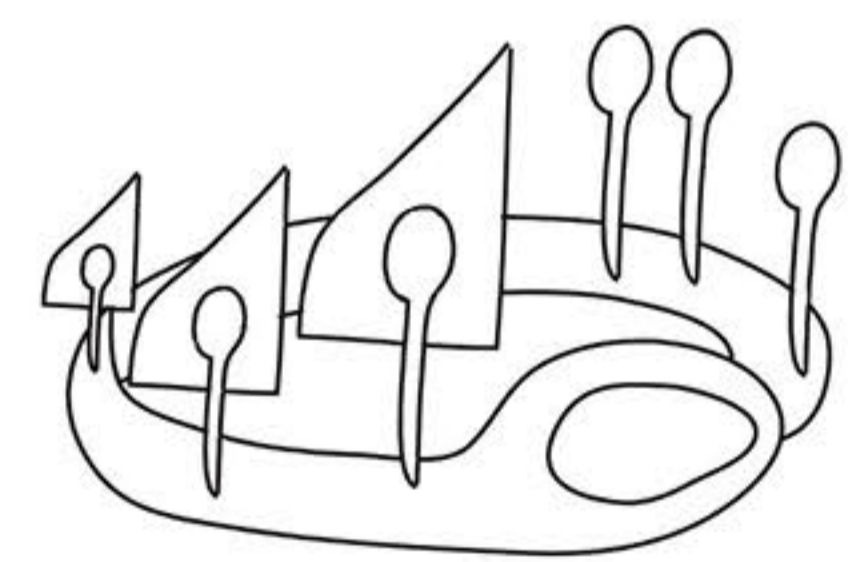

1. Colour
in your
magical
moon
pieces.

2. Next,
ask an adult
to help you cut out
all of the shapes!

3. Colour in and cut out your moon headband!
(you might need to make this bigger if you're older!)

4. Stick all of your magical moon pieces onto your moon headband, and tape it around your head! Like this:

Now it's time to sail between the stars!
